

# Saving as an Icon

You can create a direct link from your home screen to open the Student Portal, just like an App on your device.

## On Your Tablet or Chromebook/Laptop

Once you have logged in to the Student Portal in your browser:

- 1 Tap on the Bookmark icon to save the Student Portal in your browser
- 2 Tap the three dots in the upper right corner to view your bookmarks
- 3 Select "Save as Icon" on Screen

### TIP

You can also save the Student Portal as an icon on your phone from your home screen.
